

Free Movie Night

About the movie

"Pride" is based on the true story of how gay and lesbian activists in London rallied to support striking mineworkers in Wales in 1984. That campaign of support forged closer ties that eventually resulted in the National Mineworkers Union taking the lead in pushing the U.K. Labour Party to adopt a platform supporting equal rights for gay and lesbian people.

And cultural potluck!

Wednesday, Nov. 19

at 4:30 p.m.

SPEEA Everett Union Hall
2414 106 th St. SW
RSVP - meetings@speea.org

Include the number attending and the dish you plan to share
Only in person at SPEEA Everett
