

# COVID-19

Anyone can catch it. Anyone can spread it.

# Mask Up!

The Washington State Department of Health issued a statewide order requiring individuals to wear a face covering in indoor public spaces such as stores, offices and restaurants.

Washington employers are required to ensure workers are wearing face coverings at work in almost all situations. Employers must provide face coverings if workers do not have them; employers are responsible to comply with this order, and the Department of Labor & Industries enforces it.

**Wearing a mask is one of the most effective things people can do to help prevent the spread of COVID-19.**
