## Would SPEEA go on a strike?

The decision to seek a strike authorization vote by all bargaining unit members is made by the negotiation teams and is not taken lightly. If there is a vote, it's best for members to vote to approve strike authorization to show strength and unity.

### It's never too early to prepare.

SPEEA doesn't have a strike fund, so if there's a work stoppage, it's up to you to support yourself.
