To: SPEEA Council Representatives

From: Joel Funfar (NW VP).

Subject: **Presubmitted New Business: Support of UAW Local 1069 (Philadelphia, PA.) working at Boeing Philadelphia plant in contract negotiations.**

Background

SPEEA was supported by the UAW during our strike in 2000.

Boeing has been in tough negotiations with two UAW locals on pensions and other issues. UAW Local 148 in Long Beach had a close vote on contract acceptance with issues on pensions.

Local 1069 in Philadelphia are still in negotiations and could use the support that passage of this motion would provide.

Motion

It is moved that the NW SPEEA Council supports UAW Local 1069 by requesting the SPEEA Executive Board fund up to \$3000.00 out of the annually budgeted labor support fund to help them in their strike, if it happens.
