

October 2, 2023
NW23-011

To: NW Council Representatives

From: David Fritz, NW Council Treasurer and MAC Committee

Subject: **PRESUBMITTED NEW BUSINESS:**

Background

MAC fosters, promotes, and encourages union engagement by providing our emerging activists wholesome family-friendly activities, such as the Pumpkin Decorating Event. Held at both Everett and Tukwila halls, this draws our members and young activists to the hall to stimulate creativity and imagination in a tangible way by providing a Pumpkin for each member's child to decorate and take home. RSVP is required and first come first served for walk-ins on the day of the event. This event builds solidarity and camaraderie within our membership.

Motion

It is moved The NW Council Treasurer on behalf of the Member Activities Committee requests the fiscal year 2024 NW budget be amended to subtract \$300.00 from line item 2.4.1, "Golf Tournament," reduced by \$1,000.00 to \$3,000.00 from an earlier motion, and add \$300.00 to line item, 2.4.7, "Family Pumpkin Decorating Day" scheduled for October 21, 2023. This will increase that line item to \$300.00 + \$300.00 = \$600.00. The request anticipates a need for additional funds for the purchase of pumpkins and decorating supplies due to inflation.
